*David M. Matthews - Lifeline*

Relationship advice columnist and Emmy Award-winning Writer/Producer, David M. Matthews has written "Every Man Sees You Naked: An Insider's Guide to How Men Think" to take you on rollercoaster ride through the seamy underbelly of the male mind. Visit him online at [www.EveryManSeesYouNaked.com](http://www.EveryManSeesYouNaked.com).

*Jamie Beckman - Get over your ex in 30 days*

Jamie Beckman is a contributing writer for top-five women's interest website TheFrisky.com, author of The Frisky 30-Day Breakup Guide and a veteran of the New York City dating scene. She's experienced firsthand all the hope, elation, and heartbreak that goes along with trying to find "the one"...and she wouldn't change a thing.

*Beth Greenfield - LiarLiarList.com*

Beth Greenfield is the founder and CEO of [liarliarlist.com](http://liarliarlist.com), a very entertaining new website devoted to exposing people who lie on their dating profiles and, quite simply, calling a liar, a liar. The website is a result of her own hilarious, but disappointing, experiences in the world of online dating.
